31 improvement district or districts by the governing authority for the Town of Braselton  
32 and imposing such conditions on the projects and activities which may be undertaken as

Nothing contained herein shall require the governing authority of the Town of Braselton to create more than one community improvement district, or to require the creation of a new district if the district boundaries of an existing district are changed, added to, supplemented, or modified.

## **SECTION 5.**

Administration, appointment, and election of board members.

Each district created pursuant hereto shall be administered either by the governing authority or by a board as prescribed under this Act. In the event that a district is to be governed by such a board, the board shall be composed of a minimum of seven board members to be appointed and elected as hereinafter provided:

(1) Two board members shall be appointed by the Mayor of the Town of Braselton, and confirmed by a majority of the Town council, one of whom shall be a member of the Town council, to serve in posts 6 and 7. Two board members shall be elected by the vote of electors, and three members shall be elected by the vote of equity electors. The members representing the electors and equity electors shall be elected to serve in post

positions 1 through 5, respectively. Each elected board member must receive a majority of the votes cast for the post for which he or she is a candidate. Votes for posts 1 and 2 shall be cast by electors, and votes for posts 3, 4, and 5 shall be cast by the equity electors. The initial term of office for the members representing posts 1 and 3 shall be one year. The initial term of office for the members representing posts 2 and 5 shall be two years, and the initial term of office of the members representing post 3 shall be three years. Thereafter, all terms of office shall be for four years, except the appointed board members who shall serve at the pleasure of the appointing body which appointed him or her. Elected board members shall be subject to recall in the same manner as elected.

(2) The initial board members to be elected as provided in paragraph (1) of this section shall be elected in a caucus of electors which shall be held within 120 days after the adoption of the resolution by the Town of Braselton consenting to the creation of the district, and the obtaining of the written consents herein provided at such time and place within the district as the Town of Braselton shall designate after notice thereof shall have been given to said electors by publishing same in the legal organ of the respective county as hereinafter provided. Thereafter, there shall be conducted annually, not later than 120 days following the last day for filing ad valorem real property tax returns in the respective county, a caucus of said electors at such time and place within the district as the board shall designate in such notice for the purpose of electing board members to those board member positions whose terms expire or are vacant. If a vacancy occurs in an elected position on the board, the board shall, within 60 days thereof, call a special election to fill the same to be held within 60 days of the call unless such vacancy occurs within 180 days of the next regularly scheduled election, in which case a special election may, but need not, be called. For any election held hereunder, notice thereof shall be given to said electors by publishing notice thereof in the legal organ of the respective county at least once each week for four weeks prior to such election.

(3) Board members shall receive no compensation for their services, but shall be reimbursed for actual expenses reasonably incurred in the performance of their duties. They shall elect one of their number as chairperson and another as vice chairperson. They shall also elect a secretary and a treasurer, or a secretary/treasurer, either of whom may, but need not, be a member of the board or an elector.

(4) If the boundaries of a district are subsequently changed after creation of the district to include land within a municipality which was not a party to the creation of the district, or if a municipality's boundaries are changed to include land within an existing district, the governing authority of the municipality shall acquire the right to appoint a member to the board of the district upon entering into the cooperation agreement provided for in Section 9 of this Act. If, by municipal annexation or by de-annexation of land from a

1 district, the district no longer includes land within the incorporated area of the Town of  
2 Braselton or within a municipality, respectively, then the board member of the district  
3 appointed by such governing authority in which the district is no longer located shall  
4 cease to be a board member.

5 (5) Chapter 2 of Title 21 of the O.C.G.A., the "Georgia Election Code," shall not apply  
6 to the election of district board members. Should a vacancy in office of a district board  
7 member occur, and the regular caucus of electors is more than six months in the future,  
8 a special election shall be called to fill such vacancy, unless it is filled by appointment  
9 as hereinabove required. The district board may adopt such bylaws not inconsistent  
10 herewith to provide for any matter concerning such elections.

## 11 **SECTION 6.**

### 12 Taxes, fees, and assessments.

13 (a) The board may levy taxes, fees, and assessments within the district only on real property  
14 used nonresidentially, specifically excluding all property exempt from ad valorem taxation  
15 under the Constitution or laws of the State of Georgia; all property used for residential,  
16 agricultural, or forestry purposes; and all tangible personal property and intangible property.  
17 Any tax, fee, or assessment so levied shall not exceed 2.5 percent of the aggregate assessed  
18 value of all such real property, subject to such limitations as the governing authority for the  
19 Town of Braselton may implement with the adoption of the resolution consenting to the  
20 creation of said district. The taxes, fees, and assessments levied by the board shall be  
21 equitably apportioned among the properties subject to such taxes, fees, and assessments  
22 according to the need for governmental services and facilities created by the degree of  
23 density of development of each such property. The proceeds of taxes, fees, and assessments  
24 levied by the board shall be used only for the purpose of providing those governmental  
25 services and facilities set forth in Section 2 of this Act which are specially required by the  
26 degree of density of development within the district and not for the purpose of providing  
27 those governmental services and facilities provided to the municipality as a whole. Any tax,  
28 fee, or assessment so levied shall be collected by the Town of Braselton in the same manner  
29 as taxes, fees, and assessments are levied by the Town of Braselton. Delinquent taxes shall  
30 bear the same interest and penalties as Town of Braselton ad valorem taxes and may be  
31 enforced and collected in the same manner. The proceeds of taxes, fees, and assessments so  
32 levied, less a fee to cover the costs of collection of 0.25 percent thereof, but not more than  
33 \$10,000.00 in any one calendar year, shall be transmitted as soon as they are acquired by the  
34 Town of Braselton to the board, and shall be expended by the board only for the purposes  
35 authorized hereby.

(b) The board shall levy the taxes provided for in subsection (a) of this section subsequent to the report of the assessed taxable values for the current calendar year and notify in writing the collecting governing bodies so they may include the levy on their regular ad valorem tax bills, if possible.

(c) There shall be a segregation of all funds from the levy of taxes, fees, and assessments as described hereunder for the district, and neither the Town of Braselton nor the respective county tax commissioner shall expend for any purpose not authorized by the board of this district any such taxes, fees, or charges assessed and collected hereunder except for such costs as may be attributed to the billing and collection of such fees, levies, and assessments.

(d) If, but for this provision, a parcel of real property is removed from a district or otherwise would become nontaxable, it shall continue to bear the tax millage levied by the district then extant upon such parcel for indebtedness of the district then outstanding until said indebtedness is paid or refunded.

## **SECTION 7.**

### **Boundaries of the district.**

(a) The boundaries of the district or districts shall be as designated as such by the Town of Braselton as set forth in the resolution required in Section 4 of this Act, or as may thereafter be added as hereinafter provided.

(b) The boundaries of the district or districts may be increased after the initial creation of a district if:

(1) Written consent of the owners of any real property sought to be annexed is first obtained;

(2) The board of the district adopts a resolution consenting to the annexation; and

(3) A resolution is adopted which grants consent to the annexation by the governing authority of such municipalities as may have area within the district before or after the annexation.

## **SECTION 8.**

### **Debt.**

Except as otherwise provided in this section, the district may incur debt without regard to the requirements of Article IX, Section V of the Constitution of the State of Georgia, which debt shall be backed by the full faith and credit and taxing power of the district but shall not be an obligation of the State of Georgia or any other unit of government of the State of Georgia other than the district; provided, however, that the board and the district may not issue bonds

1 validated under or in accordance with Article 3 of Chapter 82 of Title 36 of the O.C.G.A.,  
2 known as the "Revenue Bond Law," or in accordance with such other successor provisions  
3 governing bond validation generally or as may be provided by law.

#### 4 **SECTION 9.**

5 Cooperation with local governments.

6 The services and facilities provided pursuant hereto may be provided for in a cooperation  
7 agreement executed jointly by the board, the governing body of the Town of Braselton, and  
8 any municipalities and other governmental authorities or agencies within which the district  
9 is partially located. The provisions of this section shall in no way limit the authority of the  
10 Town of Braselton or any such municipality or any such authority to provide services or  
11 facilities within the district; and the Town of Braselton or such municipalities shall retain full  
12 and complete authority and control over any of its facilities located within its respective areas  
13 of any district. Said control shall include but not be limited to the modification of, access to,  
14 and degree and type of services provided through or by facilities of the municipality or  
15 county. Nothing contained in this section shall be construed to limit or preempt the  
16 application of any governmental laws, ordinances, resolutions, or regulations to the district  
17 or the services or facilities provided therein.

#### 18 **SECTION 10.**
